

Southeast Cancer Control Consortium CCOP

Letter of Intent

Communities and physicians requesting membership in the Southeast Cancer Control should include the following points in a letter to the Principal Investigator, James N. Atkins, MD.

1. Please state why you wish to join the SCCC CCOP and how the CCOP will benefit your community and/or practice.
2. Provide information of what support resources will be available to assure timely compliance with research base administrative and data requirements; i.e., oncology nurses, clinical research associates, and administrative support for IRB requirements.
3. Please describe any prior cancer research experience of physician applicants, including prior or current membership in any other cooperative group (i.e., CALGB, NSABP, SWOG, CTSU).
4. Please acknowledge that you will adhere to the SCCC By-Laws and to the requirements of the SCCC.

Please send your letter including your address, phone number, and email address to:
